Education:

University of Central Florida, Orlando, FL BA Visual Arts Education
Additional classes: American Academy of Art, Art Institute of Chicago, Blackhawk Community College

Background:

I was employed as a **Graphic Designer** for fifteen years in the areas of advertising and promotions for several newspapers: Orlando Sentinel Star, Chicago Tribune, and Hammond Times and UCF publications
I worked with photographers, writers, freelancers, printers, and stock photography.

As a Senior Designer I worked on projects from conception of ideas, layout/design to finished product.
Blackhawk Community College (Moline, Illinois), **Instructor** for accredited Desktop Publishing five years.
An unexpected move relocated my family from Illinois to Kansas in 1999, where I began my own **Photography**.
No photo manipulation or enhancing is done to my photography, which has a painterly quality.
My emphasis is on light, photographing rural and inspirational scenes throughout the seasons.
